OPPI

encourages its Full Members to use the rubber stamp or metal embosser to signify that a plan or report was prepared by (or under the supervision of) an RPP. Using the stamp or seal personalized with your name reminds and assures your clients and others that you are a professional who assumes responsibility for your work (and that of your employees).

It will also increase public awareness of the planning profession and of the high standards of competence, integrity, and the professional code of practice that you uphold as a member of OPPI and CIP.

To order your stamp or seal, please fill out the order form on the reverse side, then send it to the attention of the Director of Finance & Administration at the OPPI office.
