OPPI21 VIRTUAL CONFERENCE

This year OPPI is again offering a virtual environment with the opportunity for an in-person day of programming in limited numbers, should public health guidelines permit us to do so while ensuring the health and safety of conference delegates. OPPI21 takes place October 6, 13, & 20, from the comfort of wherever you are.

This annual event brings together participants from across Ontario and features three days of keynote speakers, expert panels and breakout sessions all covering top-of-mind issues. As the biggest planning event of the year in Ontario, the OPPI21 conference attracts planners, and countless other professionals from many related industries.

WHY PARTNER?

The OPPI21 conference is the leading and largest planning event and forum for professional planners. It features a unique gathering of service and product providers to showcase a selection of products and services relevant to planning and allied professions in our exhibitor area.
