OPPI Adaptation Transformation Conference Description

The Ontario Professional Planners Institute (OPPI) is hosting their annual conference in Ottawa, Ontario, this fall.

From September 20 to 22, the OPPI Adaptation Transformation Conference will explore how Registered Professional Planners (RPPs) navigate the profession's rapidly changing landscape to emerge as qualified leaders who bring communities together in the public interest.

Adaptation Transformation will highlight relevant topics impacting the profession, including housing affordability and supply, changing demographics, representation of equity-deserving groups, advancements in technology, and more.

At Adaptation Transformation, professionals and industry experts from across Ontario will gather, face to face, for two and a half days of insightful keynote speakers, thoughtful panel discussions, and meaningful breakout sessions. Programming for the conference will also be available online for those who wish to attend virtually.

Mark your calendars for September 20 to 22!
