Guide to Downloading and Accessing the Symposium Mobile App

Go to **http://eventmobi.com/OPPI14** on your mobile browser to instantly access your mobile event guide! Your Internet browser loads the event app automatically and makes it instantly available for offline use. For easier access in the future make sure to simply add the bookmark to your phone's home screen.

The event app includes these features:

- **Event Agenda**
- **Speaker and Participant Information**
- **Interactive Personalized Agenda** (create your personalized agenda by adding sessions!)
- **Surveys**
- **Meeting Information** including links to Niagara Falls tourist information
- **Alerts & Updates For the Event**

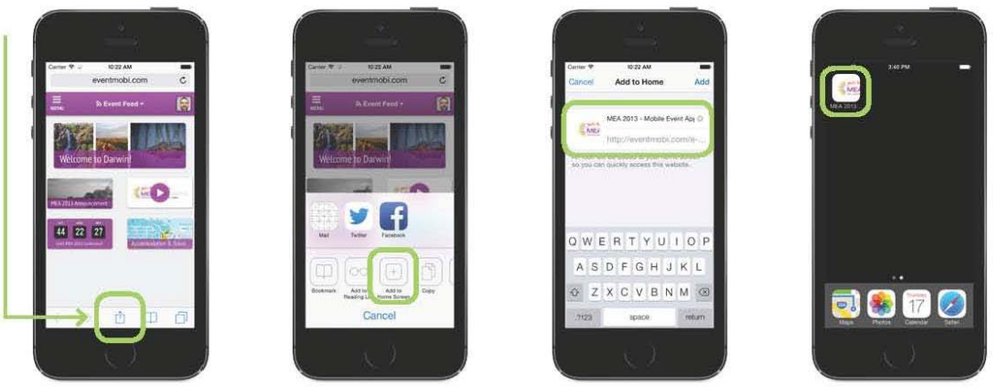
To Download to Your iPad / iPhone

Follow the instructions in the alert and click on the arrow icon.

Click Add to Home Screen.

Enter the text you want associated with the icon.

Click on the icon on your home screen to access the mobile event guide.



To Download to Your Android

In your Android browser, click the Menu button.

Click Save to bookmarks.

Enter the text you want associated with the event guide.

Click OK.

The guide has been added to your list. Click on it to access the guide!

To Download to Your BlackBerry

While in the Browser, press the menu button and select Add Bookmark.

The Add Bookmark window will appear.

Scroll down to the bottom of the window and press Add.

Press the menu button again, scroll down and press on Bookmarks.

The guide has been added to your list. Click on it to access the guide!
